The world-renowned dermatologists at Cosmetic Laser Dermatology combine major cosmetic breakthroughs in science and medicine to bring our patients the ultimate in rejuvenation. Our landmark dermatology center in San Diego offers patients customized care utilizing the most innovative laser, injectable, body sculpting, and vein treatments available.

“Trust Your Face in the Hands of our Experts”
Dr. William F. Groff, has been practicing cosmetic dermatology in San Diego for more than fifteen years and is considered a leader and innovator in the field. Having given over 100 lectures across the globe, Dr. Groff has a passion for sharing knowledge with others in his profession. An expert in cosmetic injectables, Dr. Groff serves as a key opinion leader and an injection trainer for Allergan (Botox Cosmetic, Voluma, and Juvederm), as well as Kybella, and Medicis and Merz Pharm. Dr. Groff helps patients achieve cosmetic goals through customized treatment plans developed to address their exact needs. Recent media appearances include The Doctors Show, Fox News, ABC and NBC. As a former Naval Flight Surgeon, Dr. Groff was stationed at MCAS Miramar and he accumulated over 200 hours of flight time in the F/A-18 Hornet.

Dr. Sabrina G. Fabi, is an internationally recognized leader in cosmetic dermatology. She is a double board-certified dermatologist and diplomate of the American Board of Cosmetic Surgery, and is an assistant clinical professor at the University of California, San Diego. As associate research director at the practice, she is actively involved in multiple injectable, laser, and sclerotherapy clinical studies. She is considered a leading authority on Ultherapy and has pioneered many of its current applications. Dr. Sabrina Fabi has authored over 60 medical articles and 10 book chapters. As a trainer for Merz, Allergan and Galderma, she has lectured in both Spanish and English in over 20 countries on aesthetic dermatology advancements. She is a repeat recipient of the Patient’s Choice Award, a national award bestowed upon physicians based on their patients’ appreciation and praise for the quality of care and service they provide.

Dr. Mitchel P. Goldman, medical director of Cosmetic Laser Dermatology, is a double board certified dermatologist and Diplomate of the American Board of Cosmetic Surgery. He is a Voluntary Clinical Professor of Dermatology at the University of California, San Diego. Dr. Goldman is the Past President of the American Society for Dermatologic Surgery, was the Founder and Past President of the American College of Phlebology and Past President of the San Diego Dermatological Society. He has authored 18 medical textbooks, published over 300 peer-reviewed medical articles and lectured extensively around the world on cosmetic surgery, multiple laser techniques, skin rejuvenation and vein therapy.

Dr. Kimberly J. Butterwick, is a world-renowned board certified dermatologist and cosmetic surgeon. In practice for over 20 years, Dr. Butterwick has made a name for herself as an “expert injector” serving on advisory boards for major manufacturers and invited to demonstrate her skills at major dermatologic meetings. In addition to her artistry in facial shaping, Dr. Butterwick is considered a leading authority in laser treatments and sculpting the body with liposculpture and non-invasive body contouring procedures. She currently serves on the board of directors for the American Academy of Dermatology, having been elected by her peers. On multiple occasions, Dr. Butterwick has been named one of America’s Top Physicians and one of the Best Doctors in America.
LEADING LASER TREATMENTS

Our board-certified doctors are internationally recognized as experts in the field of laser skin treatments. We offer patients more lasers than any other practice in the country, ensuring that each patient receives a customized treatment that can address a variety of skin conditions and signs of aging.

We have over 45 lasers including the following:

- Affirm Multiplex®
- Alex TriVantage®
- Candela Gentlemax Pro®
- Candela PicoWay®
- Clear + Brilliant®
- CoolTouch Varia®
- Cynosure Apogee Elite®
- Cynosure Cynergy®
- Cynosure PicoSure®
- Fraxel Repair®
- Fraxel Restore®
- Fraxel Dual®
- Isolaz®
- Lumenis M22 IPL®
- Lumenis Active FX®
- Lumenis Deep FX®
- Lumenis Light Sheer Duet®
- Lumenis ResurfX®
- Lutronic Spectra®
- Lumenis UltraPulse CO2®
- Photodynamic Therapy
- Sinon Ruby®
- Sciton Profile®
- VBeam Perfecta®
Injectable neuromodulators and dermal fillers are designed to reverse signs of aging and rejuvenate the skin with minimal discomfort or downtime. Our expert injectors use only the most cutting-edge treatments available to smooth wrinkles and restore lost volume for a more youthful appearance.
Our expert dermatologists use the most advanced body contouring techniques available in order to remove unwanted fat and tighten loose skin on the face and body. Patients can achieve the smoother and slimmer appearance they desire without undergoing major invasive surgery.
REVOLUTIONARY VEIN TREATMENTS

Our doctors are internationally regarded as being pioneers in the field of vein removal treatments and Dr. Mitchel Goldman is one of the world’s leading experts on the subject. Unwanted veins on the face, legs, chest, and hands can be safely and effectively diminished using the latest in vein removal technology.
We offer patients comprehensive cosmetic treatments to improve the look, tone and texture of the skin. Our expert physician assistant and aestheticians create a customized treatment plan and skincare regimen for each patient to promote a more healthy and radiant appearance.

**Customized treatment plans including:**

- Custom Skincare Regimen
- Blue Light Acne Treatments
- Laser Hair Removal
- Mineral Makeup
- Ionithermie Cellulite Treatment®
- Dermasweep Micro-Resurfacing®
